

Adele Moreland, Cello

I started cello in 5th grade on a cello I inherited from my Uncle who was a composer and played in the Hollywood film orchestras. I continued on cello, sang in choirs as my mother had a music degree and directed choirs, was a singer, as was my father. I continued voice, piano and cello through college. I graduated with a Music degree and worked on a Master's degree in Music for a year before I changed course and started pre-med studies. I have stayed active in community symphonies for many years in Minnesota, Boston, Saskatoon, Canada, and have been with Tampa Bay Symphony for 11 years. I work full time as a physician. I have been married 47 years, have two grown children, one grand child and 4 beautiful talented sisters who are accomplished musicians, dancers, teachers etc.
